Rubric: Slides

Slides (PDF) – 2 pts

- You've already submitted your slides, so there's no need to worry about this criterion.**

Rubric: Reflection

Reflection on Own Paper – 2 pts

- Exemplary: Thoughtful reflection demonstrating clear understanding and key insights.
- This section is essentially a brief summary of **what you've learned from your group paper.**

Rubric: Reflection on Two Other Papers

Reflection on Paper 1 – 3 pts Reflection on Paper 2 – 3 pts

- This section is a concise yet thorough summary of **what you've learned from two other groups' papers**, not about their presentation (which you might have written down in the reflection after the presentation).
 - Background / Research Questions
 - Methodology
 - Findings
 - Commentary – focus more on the content and how it was presented

Overall expectations

To be minimally ready:

- Listen attentively to peers' presentations
- Participate actively in Q&A and group discussions
- *Expected score:* at least about 50%

To be adequately ready:

- Understand the main ideas of each paper
- Review likely question types (peers' questions, paper-grounded questions, and guided questions from class); Set aside independent study time before the exam
- *Expected score:* around 90%

To be fully prepared:

- Think critically about the papers
- Note strengths, limitations, and implications for each study
