# Assignment 1

- For the rest of today's class, we'll work on **Assignment 1**.
- **Due:** Friday, November 14, 2025
- **No more than two pages** — the length isn't graded, but the focus is on how concisely and clearly you summarize each presentation with sufficient detail. Imagine you're introducing each paper to an interviewer in 3-5 mins.

# Rubric

Criterion	Pts	Exemplary (Full Credit)	Proficient (-1 pt)	Developing / Missing (-2/3 pts)
Slides (PDF)	2	Slides are complete, well-organized, and include 4 clear quiz questions.	Slides mostly complete but missing minor details or unclear questions.	Slides incomplete or quiz questions missing / not submitted.
Reflection on own paper	2	Thoughtful reflection showing clear understanding and key insights.	Adequate reflection but limited depth or clarity.	Minimal or unclear reflection / not submitted.
Reflection on paper 1	3	Addresses all reflection prompts with clear synthesis and course connections.	Covers main ideas but lacks depth or integration.	Superficial summary, unclear writing, or missing sections.
Reflection on paper 2	3	Addresses all reflection prompts with clear synthesis and course connections.	Covers main ideas but lacks depth or integration.	Superficial summary, unclear writing, or missing sections.

## Rubric: Slides

---

### **Slides (PDF) – 2 pts**

- Exemplary: Slides are complete, well-organized, and include 4 clear quiz questions.
- **You've already submitted your slides, so there's no need to worry about this criterion.**

# Rubric: Reflection

---

## Reflection on Own Paper – 2 pts

- Exemplary: Thoughtful reflection demonstrating clear understanding and key insights.
- This section is essentially a brief summary of what you've learned from your group paper. About half a page is sufficient, covering:
  - Background / Research Questions
  - Methodology
  - Findings
  - Commentary

# Rubric: Reflection on Two Other Papers

---

## **Reflection on Paper 1 – 3 pts      Reflection on Paper 2 – 3 pts**

- This section is a concise yet thorough summary of what you've learned from two other groups' papers. About half to three-quarters of a page is sufficient, addressing:
  - Background / Research Questions
  - Methodology
  - Findings
  - Commentary – focus more on the content and how it was presented
